VOL. II NO. 15. THE WILMINGTON MIRROR, FRIDAY, APRIL 30, 1948 3 CENTS

Don't Be Late In '48

By PAUL D EMMONS

Well, according to the latest Gallup poll Harold Stassen has now moved up to the top of the list in the Republican popularity canvas. That shows what persistency and a pleasing personality will do.

If he should happen to pick up a sizeable bunch of delegates in Ohio his position as a leading contender will be very much strengthened. The posibility of his being our next President will be worthy of everybody's serious consideration. For if the election lay between hi mand Truman there isn't much question but that Stassen would win if he shows himself to be sound in principle.

Right there comes the rub, Up to date Stassen hasn't been taken views and policies haven't attracted very much attention among thinking people. From now on it about what ought to be done to solve the pressing problems of the day should be brought out into the open and carefully considered to determine his fitness for the job.

At the start o fhis campaigning about two years ago there was some talk to the effect that he was in favor of a world federation which would involve our surrounding some of the sovereign powers of the United States government.

That is a very serious matter. We have a right to know, and should know, just how he stands on that proposition today.

In the opinion of this reporter, f the has any such ideas as that he shouldn't be elected President, or Vice President. The sovereign powers of the United States govare too precious a heritage, to be easment were too hardly won, and given away to anybody.

The world isn't ready for anything like that yet. The result would only be disastrous.

There is no indication that a world federation would be any more successful than the United Nations has been to date. Russia would mess up a world federation even more effectively than the UN.

And are we going to give away any of the sovereign powers of the nited States government to an outfit in any way subject to Russian control or interference?

Forbid it Heaven.

Incidentally, how much of her own sovereign powers is Russia willing to give away?

And again incidentally, Jim Farley is quoted as saying he thinks that Vandenburg will be the Republican presidential nominee. And Drew Pearson says Eleanor Roosevelt is coming home from Europe to try to persuade Truman to withdraw from the race so that Eisenhower can be drafted by the Democrats. She thinks that under those conditions Eisenhower would accept.

Interesting, what?

Iteresting, here's something that is significant. It is reported that the families of American GI's stationed in Europe, who were so anxious to go across and join them over there, are now just as anxious to return home.

The handwriting on the wall, what?

HOLY NAME BOWLING CLUB BANQUET

Sixty three members and frineds attended the Holy Name Bowling banquet held Thursday evening in Danvers. President Jess Smalley opened tahe affair with a brief address, and introduced Father McInerney, who blessed the meal. A delicious seven course steak dinner was served, following which duced the guest of honor, Rev. Philip Carney, Chaplain, of the Veterans Hospital at Bedford, and who served in the ETO campaings. Rev. Carney addressed the gathering and invoked his blessings. The following invited guests were present: Carl Connor, treasurer, Town League: Wes Baker, secretary of the Town League was unable to attend on account of illness.

—J. Turner Hood, high school 9principal, was recently called out of town by the serious illness of his father, Dr. J. T. Hood, of Geneseo, Ill.

—A dress form class was held recently at the home of Mrs. Ruth Anderson on Lowell Street. Mrs. Dorothy Darling is the conductor of the class.

—Seven year old Kenneth Smith of Main Street, recently suffered inuries whn he fell on some glass, cutting the plam of his left hand. Officers Lynch and Imbimbo gave first aid.

—Mrs. James Haney, of Church street, was recently taken to the St. John's hospital in the town ambulance under the direction of Acting Chief Hoban and Officer Gammons.

CAPACITY CROWD PAYS TRIBUTE TO PAST

RED CROSS MEETS ITS QUOTA HERE

Louis C. Grossman, chairman of the recent Red Cross drive, wishes to extend his appreciation to those who took part in the recent drive especially the 53 acptains and workers. Wilmington met its quota handsomely as usual, and the hard working chairman and committee are tobecongratulated for their untiring efforts in this worthy cause.

SELECTMEN GRANT LICENSES

At a recent meeting of the Wilmington board of selectmen, held in the town hall, Sergeant Talbot Sidelinker was granted a three months leave of absence from the police force. A provisional appointment will shortly be made by the board.

The following licenses were granted: Mrs. Sadie Griffith, for the Ritz: American Legion, for Poppy Day: Thomas McQuaide for boats at Silver Lake and several pistol permits were also granted.

The work on Jaquith road is being done by Mr. Van Steensburg, and is progressing rapidly. James White, of the highway department appeared before the board and explained his plans for the coming weeks.

—The next regular meeting of the Wilmington Women's Club will be the annual meeting and May luncheon, on Tuesday, May 6th, at which time the club officers will be elected.

A caacity crowd gathered at the Legion hall on Monday evening, April 19, to pay tribute to the past commanders of Wilmington post 136, American Legion Auxiliary. The program opened with the salute to the flag, and grace by the Rev. George E. Brennan. A turkey dinner was served, followed by greetings of welcome by Bernard P. McMahon, commander, Edward J. Sullivan, sergeant at arms, acted as master of ceremonies, and introduced Rev. Brennan, who spoke on the coming dedication of the Shrine of Our Lady to the memory of all veterans of World Wars I and II. State commander John J. Sullivan was the next speaker, and he presented a fine resume of the program and activities of the American Legion Following Mr. Sullivan's talk, the various past commanders were introduced: Joseph W. Strong, Roy Bedell, aHrold Bendroth, James W. Castine, Michael H. Barry, Louis I Elfman, Joseph H. Woods, Carl H Dreger, Ernest J. Call, Paul W. Dayton, Vinal H. Conway, Clement L. Thompson and George E. Bryant.

Mrs. Sally Thief, unit president spoke briefly. Miss Elizabeth McMahon was mistress of ceremonies and introduced the state president Mrs Catherrine O'Connel, and County Director Ruth McHale, both of whom gave interesting talks.

Mrs. Susan T. Ealer, past state president(kas introduced. Tribute was paid to all past presidents.

General dancing completed the evening's activities.

LUNCHEON CIRCLE 3 HOLDS

Circle 5 of the Methodist church served a delicious luncheon on Wednesday at the home of Mrs. Lillian Fiske. The committee consisted of Mrs. Elizabeth Buck, Mrs. Helen Blake, Mrs. Grace Tilley, and Mrs Lillian Fiske. Following the luncheon, a regular business session was held The annual May breakfast will be held Saturday, May 1, at the church, from six until nine o'clock. Plans were also made to serve a luncheon to the WSCS at the regular May meeting.

MANY WINNERS AT HAPPY JACKS WHIST

There were many winners at the Happy Jacks whist party held last week at the club house on Forest street, with Mrs. Lienhard in charge. They included the following ladies.

Mrs. Everett Boudreau, Mrs. Agnes McLaughlin, Mrs. Isabel McKay, Mrs Olga Johnson, Mrs. Agnes Beal, Mrs. Marion Howard, Mrs. Lillian Chapman, Mrs. Thelma Marchi, Mrs. Rose Harnish, Mrs. Teresa Doucette, Mrs. Charlotte Pearson.

The special prize was won by Mrs. Olga Johnson.

The birthday anniversary of Mrs. McKay was observed by the club, and she was presented with a suitable gift. Mrs. McKay will be in charge of this week's whist party held at the club house.

—Superintendent of schools, Stephen G. Bean, has been attending a superintendent's convention at the Bridgewater Normal school.

—Our best get-well wishes to Mrs. Mary Hutchings, who is convalescing at her home on Hobson avenue.

RECORD $40 TAX RATE FOR TEWKSBURY

Warnings sounded by the finance committee of Tewksbury before the last annual town meeting that a substantial increase was due in the 1948 tax rate came true when the Board of Assessors announced last week a record high rate of $40 per thousand for this year.

The announcement of the unprecedented boost of $7 in the rate from the $33 figure of 1947 was the first positive indication that the downs of the Greater Lowell area will have to saddle their high costs of government on the real estate etxpayers.

The boost in the Tewksbury rate was necessary, although the assessors were able to increase valuations by almost a quarter million dollars since the first of the year. Practically all of the valuation increase of $238,550 was brought about by the post war home building boom, which has resulted in many additional dwellings being erected here in the past year. The total valuation of real and personal property in the town now is set at $6,129,620.

WILMINGTON SKATING CLUB ELECTS OFFICERS

At the recent meeting of the Wilmington Skating Club, the following junior officers were elected: Carl Backman, Jr., junior president: Janet Backman, junior vice president: Florence Spear, secretary. Barbara Hendricks, treasurer. Senior Advisor, Arthur Spear. Following the business meeting the adult members of the organization gave a surprise party to the young members of the group, at which time a new racing bicycle was presented to Leon Backman in honor of his achievements this season. He was the winner in the North American speed skating championship contest in Detroit, Michigan, recently. The presentation was made by Vice President Thomas Galvin. On Saturday evening, the club enjoyed a baked bean supper at 6:30 in conjunction with a drawing.

MRS. COLE ENTERTAINS CUB SCOUTS

A den party for the Cubs was held recently at the home of Mrs. Cole, den mother. Many mothers attended and enjoyed the refreshments and entertainment furnished by the Cubs. The following mothers were present:

Mrs. Joseph Calnan, Mrs. Harold Fuller, Mrs. George Fuller, Mrs. Willmore, Mrs. Fiske, Mrs. Frank Kavyinski. Guests were: Mrs. Loreto Tessicini and Mrs. William Sanborn. The Cubs present were: Gene Duggan, George Fuller, Francis Duggan, Richard Fuller, Ronald Fuller, Roger and Robert Willmore, Dan McCormack

Den Chief Ed Cole has started a baseball team among the Cubs, and David Silby

WILMINGTON BOY 3, FRACTURES LEG

The three year old son of Mr. and Mrs. eHnry Gilman, of 42 Salem street, North Wilmington Ronald, was taken to the St. John's hospital in Lowell recently after he sustained a fracture of the right leg while playing around his home.

The child was removed to the hospital after he complained to his mother, Mrs. Leah Gilman, of a pain in his leg. X-rays taken at the hospital showed the fracture. He is reported as resting comfortably in this writing.

In Need Of A Home

In the past the people of Winchester have invariably been quick to respond when one among them is struck with ill fortune.

Shortly after last Sunday when fire swept their five room home on Winter Street, leaving Mrs. Margaret Scisela and her six children virtually homeless, packages of food, clothing, bedclothes, and dishes have been pouring into them. Most of the donors are not personal friends of the family. They heard of the misfortune and did what they could to relieve the situation.

The house is not in a liveable condition for seven people. Four of the children have been living with a Winchester family for the past few days, but such separation is difficult for a closely knit family.

For the past week, all efforts of Mr. William Sapio and Miss Hilda Hope, R. N., of the Welfare Department to obtain quarters for them have met with no success. The very mention of six children sends shudders down the back of most landlords.

The Sciselas can afford to pay a reasonably moderate rent and could live in Winchester or any of the surrounding towns. The family has always been an American ideal, and here certainly is a case where it is gravely endangered. We feel sure the generosity shown to the family in the past week will be extended and quarters for them will soon be found.

Annual Baptist Meeting To Be Held On May 10

The Annual Meeting of the First Baptist Church will be held on Monday, May 10, in the Social Hall of their Church. Supper prepared by the Philathea Class, guarantee of a "super" meal—will be served at 6:30. Reservations must be made by May 5, with Mrs. Everett W. Gray.

The business meeting and election of officers will follow the supper after which a Pageant depicting the history of the Thrift Shop will be presented. Donations for the Thrift Shop will be received during the evening.

Miss Betty L. Engstrom To Be Bride Tomorrow

At a simple ceremony tomorrow afternoon at her home, Miss Betty Louise Engstrom, granddaughter of Mrs. Ernest O. Engstrom of 65 Mystic Valley Pkwy., Winchester, will be married to Mr. Donald Kahlsands, son of Mr. and Mrs. Albert H Sands of Old Billerica Rd., Bedford.

Mr. Niles E. Engstrom will give his daughter in marriage at the 4 o'clock ceremony at which Rev. Howard J. Chidley of the First Congregational Church, Winchester, will officiate. A reception at 65 Mystic Valley Pkwy. will follow the ceremony.

The bride will be gowned in old lace organdy with lace edging the shingh buttoned neckline and the full pleated skirt. Her shoulder length veil will be of matching lace and she will carry an old fashioned bouquet. Mrs. John Briggs of Bedford will be Miss Engstrom's matron of honor. Robert Sands of Somerville will be best man for his brother.

The bride was graduated from Winchester High School with the class of '44 and from The Katherine Gibb School with the class of '46. Mr. Sands is a graduate of Lexington High School and attended North Eastern University before tobe rank of Ensign with the U.S. entering the service where he held Naval Air Corps. The couple will be at home at 65 Mystic Valley Pkwy., after May 14.

Miss Rita Doherty To Wed Edward McManus

Tomorrow evening at a seven o'clock service in the rectory of the Immaculate Conception Church, Miss Rita Agnes Doherty, daughter of Mr. and Mrs. Michael Doherty of 37 Wendell St., Winchester, will become the bride of Mr. Edward Leo McManus, son of Mrs. Catherine McManus of 8 Edith Ave., Everett. Rev. Edmund C. Illmory, pastor of the Immaculate Conception Church, will officiate at the ceremony. A reception is planned at the Knights of Columbus Hall in Winchester.

The bride will wear an aqua sailor-collar suit contrasted with brown accessories and a white gardenia corsage. The couple will be attended by the bride's sister, Miss Immaculate Conception Church, and Miss Rita Agnes Doherty, daughter of Mr. and Mrs. Michael Doherty of 37 Wendell St., Winchester. Miss Doherty was graduated from St. Mary's High School in Winchester and is a technician with the Raytheon Co., Waltham. A graduate of Everett schools, Mr McManus served four years with the Sea Bees in the Pacific Theatre of War. He is employed at the Charlestown Navy Yard.

Bishop Hughes . . .

(Continued From Page One)

Methodist Church leaders to Massachusetts for a two-week series of conferences ending May 9. Bishop Hughes was introduced here Sunday by Rev. John Snook, Jr., pastor of the local church. Also present at the exercises was the Rev. Alfaten B. Gifford who is pastor of the Crawford Methodist Church at the time the conference was put down 25 years ago.

In his sermon Sunday, Bishop Hughes said that opportunities service to winnn no sect or person may avail himself. Quoted "The Not Open Doors one, the course, the college, the and heaven.

The Bishop said that there is in the world for persons in the universal needs of a world in disorder and economic distance. He described the home as the most important opportunity for service, with Christ as the He called the home "the nation's world, the mother's kingdom, and the child's paradise."

Speaking after Bishop Hughes, Rev. Mr. Snook described the Bishop's sermon as a challenge, stating that each individual was also particular talent which is morally obliged to use. The pastor charged that the responsibility rested with the individual, not only for the sake of God and his fellowman, but for the good of his own soul.

cord loud, since there are no hearing or crossing tarmiuses. A friend of the family, Mrs. Edward Rice of 149 Swanton St., supplied hot meals for the children Sunday and Monday evenings. On Tuesday neighbors had supplied enough clothing to enable Mrs. Scisela to send four older girls to school, where they attend classes at St. Mary's Parochial School.

Despite many offers to house the children, Mrs. Scisela said she hesitated to separate the family since the youngsters were still upset as a result of the fire. Since Wednesday the four girls have been living with Mr. and Mrs. Everett Mitchell and their four children on Emmerson Road. The two boys are still with Mrs. Scisela. The young mother said she walks to the school with Phillip and Peter every day to see the other children during their recess from classes.

Mrs. Scisela said that all efforts to obtain a home for the family had failed. An eviction notice served four months ago was deferred by court order until June 24 when the family must move.

M. S. P. C. A. Meets Here

On Tuesday afternoon, the Wilmington Branch M. S. P. C. A. met at the home of the president, Mrs. George E. Crowne, 4 Main Street, for a business session and afternoon tea. Reports were read by the secretary, Mrs. James Haskins, treasurer, Mrs. William E. Beggs, flower committee, Mrs. Anthony M. Wagstaff; Memorial committee Miss Evelyn Parker. The annual report of Mr. Bryer on the number of animals cared for at the Shelter, 623 Washington Street, was given to the members.

A plan of Mr. Richard Taylor to give a sum of money for a memorial to his late wife, Marion Rice Taylor, founder of the MSPCA branch in Winchester, was presented to the members. Working on the Memorial committee are Miss Parker, Mrs. Daniel G. Bennett, Mrs. C. Russell Mann.

Tea was served, with Miss Parker pouring, assisted by Miss Gladys Pitts and Mrs. Conner.

Wed. Night Club Spring Dance May 7

Small Increase In Gas Rates To Go In Effect Sat.

A new schedule of gas rates for the 26,000 customers of the Arlington Gas Light Company in Arlington, Belmont, Winchester, Lexington and Woburn was approved this week by the Massachusetts Department of Public Utilities, according to a statement issued today by Everett C. Bryant, Vice President and General Manager. The new rates will become effective May 1 under the order approved by the Public Utilities Commission.

The Gas Company petitioned the Department of Public Utilities last December for new rates because of the heavy increases in costs of doing business. The company in its petition set forth that the unit cost of gas had gone up 81 per cent since 1941. Other factors entering into the higher costs were wages up 73 per cent and pipe and fittings up 52 per cent.

Under the schedule filed in December the Arlington Company asked for increases which would have resulted in added revenues of approximately $270,000, annually. However, the Department of Public Utilities, after a public hearing and lengthy investigation of the schedule filed by the company, in an order dated April 21, permitted the company to file rates which are designed to provide additional revenues of approximately $230,000.

Household customers of the Company will pay the following rate effective May 1, under Domestic Gas Rate "A": $1.00 for the first 100 cubic feet of gas delivered each month, plus 13.0 cents per hundred cubic feet for the next 2,100 cubic feet of gas delivered each month, plus 11.0 cents per hundred cubic feet for the next 7,300 cubic feet of gas delivered each month, plus 8.5 cents per hundred cubic feet for all gas delivered each month in excess of 10,000 cubic feet. Customers will receive a discount of one cent for each 100 cubic feet of gas used in excess of the first 100 cubic feet, if paid within 10 days of billing under the new rate.

All rates contain a provision for an increase or decrease which is provided to reflect changes in the cost of fuel used in the manufacture of gas.

The following rates are also effective:

GENERAL GAS RATE M
$1.00 for the first 100 cubic feet or less of gas delivered each month, plus
13.0 cents per hundred cubic feet for the next 2,100 cubic feet of gas delivered each month, plus
11.0 cents per hundred cubic feet for the next 7,300 cubic feet of gas delivered each month, plus
8.5 cents per hundred cubic feet for all gas delivered each month in excess of 10,000 cubic feet.

The above charges are subject to a discount of one cent for each hundred cubic feet in excess of the first 100 cubic feet, if paid within ten days of the billing. The new rates will be increased or decreased to reflect changes in the cost of fuel used in the manufacture of gas.

Rotary Shown Mahogany Film

"Wood of the Ages," a sound and color film, was shown at a meeting of then Winchester Rotary Club yesterday afternoon at that Masonic Apartments.

Clinton Shaw, representative of the Palmer Parker Co., Charlestown, introduced the film which dealt with the history of the mahogany industry and logging operations in Central America.

Anna McGuerty Funeral Service Held On Tuesday

Funeral services were held Tuesday morning at the Immaculate Conception Church, Winchester, for Mrs. Anna M. (Kohler) McGuerty, wife of John Patrick McGuerty of 10 Loring Ave., who died early Saturday afternoon at the Winchester Hospital. Mrs. McGuerty had been a patient at the local hospital since April 21. The High Mass of Requiem was celebrated by Rev. Edmund C. Sliney.

Burial was at Calvery cemetery.

WINCHESTER Lights

By Bob Morris

Red and Black by a close score of 5-4. One of the toughest they will play, after their win at Middlesex, it should be very good season for the racers.

The girls' tennis team will start season next week in a hope add another perfect season to record. The softball team opened last week and 13 out nearly 70 candidates will represent the female strength of Winchester this coming season.

Coach Curtis's second team shall men staged a slam-fest Loring avenue field on Tuesday April 27, as they routed Lexington 2, Via by a score of 19-5. Those played a fine game and some good percentages were started out for some of the rookies. The pitching was very well-handled and other rookies showed possibilities. Although this is not one of the toughest outs to come up against, the Lexington teams Wednesday afternoon turned out, Capt. Ralph Bonnell believes the boys will play some fine golf.

The track team has been practicing regularly for nearly two weeks. Friday the time trials show that the trackmen have some very fine material.

The band, orchestra and chorus nights are rapidly approaching perfection and anyone who has heard part of their practices will certainly want to see the performance on May 7 and 14. They should prove to be exceptionally entertaining events. One of the all-important events of the year, the Junior, Senior Proms will be staged on Sat. nights, May 1, and will be host to one of the largest attendances the High School has had. The committees have been working very hard for their occasion and should prove to be a great success.

HERE ARE THE FACTS ABOUT YOUR INCREASED GAS RATES
UNIT COST OF GAS TO US UP 81% SINCE 1941
AVERAGE HOURLY WAGE RATE UP 73% SINCE 1941

GENERAL DOMESTIC GAS RATES UNCHANGED SINCE 1933 . . .

Although the cost of everything connected with the manufacture and distribution of gas has skyrocketed, the general domestic gas rates *have remained unchanged during the last 15 years.* Now, however, despite the utmost economy and efficiency in operation, we can no longer continue to serve our customers at rates based on costs of 1933.

For this reason we have requested and received approval from the Department of Public Utilities for new rates which briefly are as follows:

DOMESTIC GAS RATE K
$1.00 for the first 100 cubic feet of gas delivered each month, plus
13.0 cents per hundred cubic feet for the next 2,100 cubic feet of gas delivered each month, plus
11.0 cents per hundred cubic feet for the next 7,500 cubic feet of gas delivered each month, plus
8.5 cents per hundred cubic feet for all gas delivered each month in excess of 10,000 cubic feet.

A REPORT TO THE PEOPLE

"The residents of the 14 cities and towns now served by the Metropolitan Transit Authority are entitled to better service. This better service can be furnished by improved transit facilities and legislative authority for such facilities will be requested from time to time. It is the firm intention of the Trustees to provide the best service to the public that is possible."

From the First Annual Report of the Public Trustees of the Metropolitan Transit Authority

The Public Trustees of the Metropolitan Transit Authority have been engaged since July 2, 1947 on a program of immediate and long range improvement of the transportation facilities under their management. Certain improvements have already been accomplished. Other improvements are in process of being done.

Based on studies and estimates of costs made by the Trustees in accordance with specific instructions contained in the Legislative Act creating the Authority, several major projects for the improvement and extension of Rapid Transit facilities have been proposed for the future.

HERE IS WHAT HAS BEEN DONE

Nov. 29, 1947—Service increased on all Rapid Transit lines on certain rush hour trains.

Dec. 1, 1947—Bus service resumed between Dover and Berkeley Streets.

Dec. 6, 1947—Bus service extended to Kittredge Street, Roslindale, and Winthrop Street, Hyde Park.

Dec. 13, 1947—New bus line started between the South End and Back Bay.

Jan. 17, 1948—New bus lines started between the Logan International Airport and the North Station and between the Airport and the South Station.

Feb. 28, 1948—Airport-South Station bus service extended to Copley Square.

HERE IS WHAT IS BEING DONE

- Remodeling of interior of Cambridge-Dorchester Rapid Transit cars.
- Installation of new seating arrangements in center entrance cars to provide more adequate subway service for heavy volume of traffic between stations and for special sporting events.
- Improved ventilation in P. C. C. cars—the modern cars used chiefly in subway service.
- Rearrangement of seats in 100 P. C. C. cars.
- Installation of additional mechanical washers for cleaning the exterior of surface vehicles.
- More frequent cleaning and repainting of stations.
- Installation of additional modern newsstands at down town stations similar to the new information booth at Park Street Station.
- Construction of a new office building for the Maintenance Department providing greater efficiency and economies of operation through a consolidation of forces.
- First steps taken in conversion to trackless trolley operation of practically all car lines in the Roxbury-Dorchester area.

IN ACCORD WITH PRESENT ECONOMIC AND SOCIAL CONDITIONS:—

★ A five-day **week** without reduction in take-home pay was made **uniform** for all employees.

★ A contributory pension plan which all employees will become eligible to join is being established.

HERE IS WHAT HAS BEEN PROPOSED FOR THE FUTURE

(SUBJECT TO LEGISLATIVE AUTHORIZATION)

★ Construction of an additional subway between Park Street and Scollay Square Stations and the enlargement of the Park Street and Boylston Street Stations making the two by means of continuous platform facilities.

★ Extension of Rapid Transit facilities to Quincy and Braintree.

★ Further extension of Rapid Transit facilities from Orient Heights, East Boston, to Revere.

★ Extension of the Cambridge subway to Porter Square and of Rapid Transit facilities to a point near the Concord Turnpike and Alewife Brook Parkway.

★ Extension of high-speed trolley service to Arlington and Lexington and to Belmont, Waverley and North Waltham from the new terminal of the proposed Cambridge subway extension.

★ Removal of elevated structures and the construction of subways and other Rapid Transit facilities in their place.

THE JOB AHEAD

The people and the **area within** the cities and towns served by the **railway system** constitute the Metropolitan Transit Authority—**owners** of this transit system.

The **railway** is operated solely for the benefit of the public.

As Public Trustees of the Authority, we have a dual obligation:—(1) to fulfill the general duty imposed upon the Trustees by the Legislature "to secure an adequate, co-ordinated, integrated and efficient system of rapid transit," and (2) to manage and operate the public's transit system efficiently, economically and to the satisfaction of the riding public in the Metropolitan area.

You may obtain a copy of the last annual report of the Board of Public Trustees by writing to the Metropolitan Transit Authority, 31 St. James Avenue, Boston 16, Mass.

Dr. Versteeg To Preach Here On Sunday Morning

Dr. John M. Versteeg, Litt.D., S.T.D., D.D., former president of the Cincinnati Council of Churches and author of "Christianity At Work," will be the guest speaker at the Craford Memorial Methodist Church Sunday morning, in the climax of the church's twenty fifth anniversary program. He was announced today by Rev. John Snook, Jr., pastor.

Dr. Versteeg was born in Den Helder, naval base of Holland, the son of a clergyman. He came to this country, a lad of eleven, when his father was called to the pastorate of a Dutch-speaking church in Patterson, New Jersey. He attended New York and Drew Universities, and was ordained to the ministry of the Methodist Church in that city. Named to the (illegible) Conference, His native (illegible) have been Roseville Church, Newark, New Jersey; South Avenue Church, Wilkinsburg (Pittsburgh), Pwena, and the Walnut Hills Methodist Church, Cincinnati, Ohio, from which after a thirteen years' pastorate, he went to the Superintendency of the Lima District of the Ohio Annual Conference in 1945. The Lima District has the largest Church School enrollment in the Ohio Conference, and one of the five eleven years' record of the Social Service Commission of the Ohio Annual Conference, he served as a Tripartite (Public) member of the War Labor Board. He is the Chairman of the General Conference Committee on Evangelism. He is a member of the Federal Council of Social Action and Industrial Relations. He is a member of the 1948 General Conference, served in the 1940 General Conference, and was elected to the Jurisdictional Conferences of 1940, 1944 and 1948.

While in Cincinnati, he served two terms as President of the Council of Churches, and of the Greater Cincinnati Writers Conference. County Community Chest Executive Committee, and of Cincinnati's School Survey Committee. He was Chairman of the Hamilton County YMCA Centennial Committee, and of the Council of Social Agencies.

He has served as correspondent for The Christian Century; is a contributing editor to "Pulpit Preaching," articles from his pen have appeared in religious periodicals; he is the author of eight special courses in inception; is one of the Methodist Preachers in Utica's Centennial Pulpit Series; and has written several hymns.

College Club Study Groups In Annual Review Monday

The annual meeting of the Wilmington College Club, Evening Study Groups was held Monday evening in the Parish House, Church of the Epiphany, with Mr. and Mrs. Georges Houle, co-chairmen of the Study Groups, in charge.

The hall was decorated with bowls of forsythia and greens, and dessert was served at 7:30, consisting of strawberry ice cream, lime sherbet, angel cake, and coffee. Mrs. Herbert P. Ross was chairman of refreshments.

After the dessert, tables were pushed back in the hall, chairs arranged in rows, and the business portion of the program was conducted by Mrs. Houle.

First to report on the progress of his evening study group was Chester Blake, on Astronomy. Using interesting slides, Mr. Blake outlined the classes which the couples enrolling in the Astronomy course had attended, and in a short time convinced the Club that astronomy was a fascinating hobby for every one.

Mr. Norman J. Padelford, in the absence of Mr Robert Drake, reported on the activities and studies of the group studying "Problems of Peace", from national security to the Marshall Plan. Rev. John Frothingill Robertson, speaking for Dr. Kirkwood, outlined the accomplishments of the Music Appreciation Group which held six meetings this past season at the Kirkwood home on Swan Road. The music of the masters, and the music of the modern, as well as the art of being a good listener, was discussed during these meetings, and in his witty report, Mr. Robertson told of the importance of being a good listener. As a student of Prof. Leo Rich Lewis of Tufts College, Mr. Robertson spoke familiarly of that art of listening, and added how much he had learned from the music course this winter.

George Houle outlined the work of the group studying "Great Books", from the early great writers to Machiavelli, and Mr. Albert Swasey and Miss Sally Lund spoke of the group in Architecture.

Mr. Swasey and Miss Lund both employed slides in their talk. Mr. Swasey speaking on furniture, from the early ages through the Queen Ann, the Victorian, late Victorian, and present day functional then each family homestead, graphically the evolution of a piece of furniture as such as the household chest, from its ages as a dowry piece to the late highboy, and secretary.

Miss Lund's topic was architecture, from Colonial times, through the Georgian, Victorian, and modern periods. She, too, concluded with a picture of Lloyd Wrights very modern home of Marble and stones built over a waterfall.

The Play Reading Group, under George E. Cannon, presented an outline of their work during the year, and following it with a one-act play, in "walk on"—"Such

Harvard Coach To Be Speaker At Last Meet

Arthur L. Valpey, head coach of football at Harvard, will be the speaker at the closing Spring meeting of the Harvard Club of Eastern Middlesex. It has been announced by John I. Donovan of Grove street, Winchester, president of that organization.

The meeting will be held Monday, May 3, at the Bear Hill Country Club in Stoneham. Members will gather at 6:30 o'clock for cocktails preceding dinner. President Donovan anticipates the attendance of a large group on this occasion, not only because it marks the finale of an active club season, but to the head coach Valpey who is in his first season in directing the destinies of football at Harvard University.

Things Happen Only in Books" by Thornton Wilder. In the cast were Mrs. Dana J. Kelly, Mrs. Conners, Dr. P. Miller Blanchard, Dr. Eugene Md o'Pollard while Mrs. Blanchard gave the stage directions.

Miss Eklund Speaker For Baptist Youth

Miss Nanette Eklund of Largrange Street gave an illuminating message on "Great Expectations" from the point of view of youth, at the Youth Service in the First Baptist Church last Sunday. Miss Eklund, who had charge of the service, also offered the pastoral prayer and gave the benediction.

Assisting Miss Eklund in the service were Miss Muriel Pride who offered the invocation, Miss Jean McKinley, who conducted the Responsive Reading, Mr. William Cox who read the Scripture, and Miss Betty Ann Carlisle who told the Children's Story.

Mr. Franklyn Pyne sang "How Beautiful on the Mountains" by Harker.

—The Misses Louise and Eleanor Beacraft of Glen Road are home after a trip to Arlington, Virginia and Washington, D. C.

HOME TEAM KNEELS TO LEXINGTON HIGH IN DECISIVE FOURTH INNING FOR VISITORS

One big inning, the fourth, enabled Lexington to beat Winchester at Leonard Field Tuesday, 8-5. In that inning Lexington scored five runs which, with the one they got in the third, was enough to win.

Home runs were hit in this game by Donaghey and Switzer of Winchester.

Vern Slack did well except in that big fourth on the mound for Winchester. He held Lexington score less in every inning but the third, fourth, and seventh, struck out nine and allowed only four bases on balls.

Parker, the Lexington pitcher, racked up the imposing total of 14 strikeouts, but walked six men. He did well at the plate too, with two hits out of three times at bat, including a double.

Ken Donaghey was the batting star of the day with a double and single as well as his home run. The trouble was that only Donaghey could hit Parker well and consistently. Besides Switzer's homer, Bellino and Horn got singles off the Winchester pitcher, and that was all.

Cosciamand Hosford of Lexington got triples. Coscia got a single also, and DeWolfe got two singles.

Lexington got nine hits all told, while Winchester got seven.

Winchester will try to break into the victory column against Belmont at Belmont Friday.

Actually, the Red and Black are better than their record shows. They'll look good winning and poor loosing like any other teams. The Red Sox and Braves got off to a bad start too.

American Legion Jr. Rifle Match Up Next Week

The second regional all-junior individual rifle match sponsored by the Massachusetts American Legion will be held at the indoor range of the U. S. Navy Farm building next Saturday from nine o'clock in the morning until five in the afternoon.

The match, open to boys between the ages of 12 and 18, will also include a special class for junior girls. Eight medals will be awarded to the victors in the course of fire which consists of five shots prone, and five standing.

Entrants' scores will be grouped into four divisions, with the medals going to the two highest in each set. Thomas J. Gorham of 8 Parkman St., Dorchester, is chairman of marksamanship and registration for the event.

Tune Up Races Slated For Pre-Season Try-out

Even though the official racing season at the Winchester Boat Club will not open for three weeks there are going to be some races at the club on May 1, 2, 8, 9, and 15. There will be tune-up races to prepare for the coming season and to test out the new rules which have been changed in some important aspects during the off season.

The old rules were ambiguous about such things as starting and luffing, and the changes are supposed to be improvements.

The tune-up races will have a trophy, donated by Donald Simonds, for the skippers to try for. Mr. Simonds is International Commodore of the Snipe class, to which the Boat Club members' boats belong.

About 28 boats are expected to be in the water when the season gets under way. This will be the biggest fleet that the club has ever had.

Some of the skippers who will probably be in the preliminary races are George Field, Dick Simonds, Dawson Blamire, Jack Streeton, Jim Newman, and Rodney Long.

The official racing season starts May 16th.

An Electric broilmaster and a two heater combination electric stove and toaster head the list of prizes to be given away in the second day of the grand opening celebration of the Family Hardware Store, 347 Main St., Woburn, it was announced today by Sumner Tye and Abraham Sweet, managers of the new establishment.

Free prizes will be given to everyone Saturday night, and the list of grand prizes includes: a chromium cocktail set, a bathroom scale, a pair of hollow ground roller skates, and a three piece set of hollow ground cutlery.

Lynn Speaker In Final Talk

"Picture Books and Lasting Favorites" is the topic for the fourth and final lecture in the University Extension Course in Children's Reading, being held at the Winchester Public Library. This lecture, on Wednesday, May 5, from 10 to 11:30, will be given by Miss Elizabeth Johnson, supervisor of children's work at the Lynn Public Library.

"What a child sees young he sees for his whole life: when he is older he learns to see and forget."

Miss Johnson will discuss the favorites through the years which give lasting values to each succeeding generation.

$5,000,000 Worth of Faith
in the future of Massachusetts

That's a lot of faith . . . and it won't stop there.

The delivery of 30 new buses this month will complete a $5,000,000 bus modernization program which we began on VE Day, 1945.

Since that historic day 367 new vehicles have gone into service on the Eastern Massachusetts lines.

This completes a big step in the fulfillment of our wartime promises to render you the best in modern transportation service.

Here's Automatic Washing at its finest! The General Electric All-Automatic Washer
This amazing new General Electric Washer is so completely automatic that you'll hardly believe your washing can be done so easily—and so thoroughly.
Once you load the washer, add soap, and set the controls, you don't need to return until the machine has automatically stopped.
Then look! The clothes have been washed snow-white, gently but thoroughly, the Activator* way. The clothes have been rinsed, in filtered, circulating water that removes all dirt, lint, and soap film. And the clothes have been damp-dried . . . so thoroughly that many pieces are dry enough to iron!
THAT'S ALL-AUTOMATIC WASHING!
SOAKS · WASHES · RINSES · DAMP-DRIES (ready for ironing)
All-Automatically!
Dollar for dollar, these features give you TOP VALUE . . .
Be sure to stop in at any of these General Electric retailers and ask to see a demonstration of this All-Automatic Washer. Then you'll know what we mean by "automatic washing at its finest."
Activator Action! Only G-E has the accurately designed Activator that is kind to clothes, but gets out the dirt. It does a thorough washing job on the dirtiest work-clothes . . . but a gentle one on the finest of fabrics.
Automatic Soap Dispenser! Nothing like it! No soap stains can spoil a G-E wash because this automatic soap dispenser completely dissolves soap flakes or powder before it enters the washbasket. Ask to see it.
Filtered, Circulating Water! The G-E All-Automatic washer filters all soak water, wash water and rinse water. Lint, dirt, and soap film are skimmed away . . . gives you a cleaner, whiter wash.
Sealed-in Driving Mechanism! A FIVE YEAR Protection Plan on the sealed-in driving mechanism. That's how sure we are that the heart of the washer will give long, faithful service.
